

Love's is the kingdom

Original poem by Rev. Edmund Robinson

Tune: My Cape Breton Home by Jerry Holland

I.

Love's is the kingdom, and
Love's is the power,
Love's is the glory forevermore,
Join we in covenant
Building a better world
Out of the love at our core.

Chorus:

We are love's hands
Building community,
We are love's voice,
Singing and free
We are love's heart,
Joined as the rivers all
Flowing as one to the sea.

II.

Kingdom of heaven, be-
Loved community,
Love's New Jerusalem
Built on a hill,
Walden and Hopedale
And worlds past imagining,
Await our hearts and our skill.

Chorus:

III.

Bearing all things, be-
lieving all things,
Hoping all things,
Love never ends;

Alpha and omega

The goal and the origin

Making of enemies friends.
