

The Program Council met via Zoom on Monday, March 14, 2022 at 3:30 P.M.

Minister's Report- Tracy is back from a well-deserved vacation! Book discussion on Kristen Harper's book *The Darkness Divine* will continue every other Wednesday. Link is in the Eblast.

Worship Services Committee- Flowers: Can we find a person to solicit/take orders or should we put something other than flowers on the small table in front of the podium: the Chalice, an artificial flower arrangement, a plant, a painting or other piece of art, a sculpture, etc.

Membership Committee - Postcards are no longer being used to respond to visitors; emails are sent when possible. The committee is doing the prep work to put the Directory online (Password protected)

Pastoral Care- A possible workshop for End of Life issues might be planned for a time when we can gather in a group.

Social Justice- New April Outreach is the Cape Cod Climate Collaborative. A list of past recipients will be published in the Newsletter.

Art – Priscilla Smith and a friend will have a small exhibit in the Fleck Room. Some of the Testimonials received on why people attend UUMH may also be displayed.

New Business- Perhaps a short description of how each committee does what it does. Not what it does but how it is accomplished.

Next meeting will be April 11, 2022 at 3:30.
