The Program Council met via Zoom on Monday, September 12, 2022 at 3:30 P.M.

First, a lengthy discussion about the Worship Committee. It is the Council Chair's job to ensure committees have chairs. The Worship Committee has been without a chair for some time. Reasons for the dearth of volunteers were put forth, but no answers were forthcoming. The Worship Committee involves being the service leader as well as taking on the organizational part of being a chair. It is proving difficult to combine the two in one person! Perhaps a reconfiguring of how the services are divided when Tracy is in the pulpit.

The chair invited discussion of ways the Council could help promote the Meeting House in the community with programs which would showcase who we are and perhaps encourage outsiders to try us out.

Outreach will start a new event: "Branch out at Branches" Occasionally, all would be invited to a casual gathering at Branches, a restaurant on Crowell Rd

A display of different types of art by church members was suggested.
